

## Information sheet, EMINTE, European partner universities

**Name of university:** University of Ljubljana

**Profile of the university (max. 15 lines):**

University of Ljubljana, founded in 1919, is a leading university in Slovenia. It is a large, public, autonomous, educational, scientific, research and artistic HEI. UL has 23 faculties and 3 art academies with 50.000 students who study in the capital Ljubljana which has 300.000 inhabitants. Its study programmes are in line with the Bologna study system and competitive in the European labour market. UL offers courses in English on Ba, Ma, PhD level and has close ties with Slovenian and foreign enterprises.

UL is attractive as it represents a modern and a student/staff friendly environment that enables the achievement of individual potentials. UL strives to continue a fine reputation both at home and around the world in its research, education, public activities and relations among its members based on the following principles:

- professional excellence and ensuring the highest possible quality,
- academic freedom of its staff and students, particularly creative freedom,
- autonomy in relation to the state or politics,
- humanism and human rights, including equal opportunities and solidarity.
